

How to request a quote for Supply item, services or equipment **Any type, size, quantity of supply can be quoted .**

- 1 go to www.buyCASTINGS.com
2. Click on **request a quote for supplies, services, equipment**
on top right of main page
3. Click on buyer
4. Fill out contact information or enter you login and password if you are already registered.
5. Click **submit**
6. On next page, click on **Supplies**
7. Answer all questions, as best as possible.
8. Add any additional details, this will enable us to get the best possible match and price.
9. Click on **Supply Request Requirements** .Detail out you need. If any CAD file, drawing or photos are available . Attach them to the email. Press on **Send Email**.
Or fax the drawing to 309-417-9165
10. Click on **SUBMIT** to complete process. Each separate part number or name must be entered separately.
11. That's it! We will do the rest.
13. To place another request at this time, go to **Buyers home page** and click on **request Supplies**.
14. To request castings at any other time, you do not have to fill out all the contact info again. Just go to Request a Quote for Supplies. On next page just put in your Login and Password and start the question process again.

Quotes may be received by the buyer in as few as 2 days, but typically 1 week.
